Dear Mr. Patient Name,

I hope that this letter finds you well. I would like you to complete a brief secure online questionnaire (MUSIC PRO) before your upcoming surgery. During your recovery I will also email you to complete the same questionnaire again. Please be reassured that your answers will remain secure and confidential.

The purpose of the questionnaire is for us to understand how you are functioning. By tracking your progress we can better help plan your care so that you achieve the best recovery possible. As part of our survey improvement process, you may encounter repeated or similar items throughout this questionnaire. Thank you in advance for completing each of the items until you reach the thank you page.

[PLEASE CLICK HERE TO COMPLETE YOUR QUESTIONNAIRE.](#) This link will take you to a website that provides more information and a series of questions about your health.

Should you have any questions about your health or upcoming procedure, please contact my office directly at (Dr. *MUSIC Physician's office phone number*). If you have any questions regarding the website or questionnaire please see www.musicurology.com/pro or contact 1-855-456-2035.

If you are not scheduled for surgery with me, Dr. *MUSIC Physician*, or believe this message has reached you in error, please call 1-855-456-2035.

Thank you for your cooperation.

Sincerely,
Dr. *MUSIC Physician*
