Active Surveillance for Clinical Stage T1b Renal Masses in a Large Statewide Collaborative

Moderated Poster -Banna Hussain, DO, Henry Ford Health

Looking for something to do on your flight home? Check out the inventory of MUSIC Skills Workshop Webinars on our website.

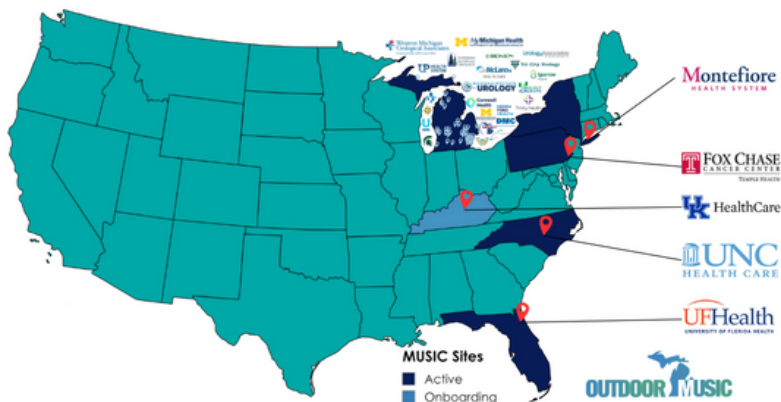

"In 30 years there has never been a better state wide project to improve urologic care. I have nothing but respect an appreciation for the work MUSIC and the state wide urologists are putting into this."

-Jay Hollander, Michigan Institute of Urology
