SURVEY

What is ROCKS PRO?

ROCKS PRO stands for **R**educing **O**perative **C**omplications from **K**idney **S**tones (ROCKS) **P**atient **R**eported **O**utcomes (PRO).

Why?

Urologists do not fully understand what it is like to recover after kidney stone surgery.

By sharing your experience, you can help us learn more about recovery. What we learn from you may help improve care for other patients nationwide.

Understanding the Patient Voice after Kidney Stone Surgery

What Does Participation Involve?

If you are invited to participate in ROCKS PRO, you will be asked to complete three brief questionnaires.

Each questionnaire takes 3 to 5 minutes to complete. Your answers are confidential, and your personal information, like your name and birthday, will be kept private.

Timing

1 Prior to surgery

2 7 - 10 days after surgery

3 4 - 6 weeks after surgery

After scheduling surgery you may get an email or a text from your surgeon with the ROCKS PRO questionnaire
